D'ya want to be gov'nor. Guv'nor?

It isn't as hard as you might think—to try. Although it's a mite expensive. Here's the simple beginning of an Alger story. Next Wednesday (that's March 8 and the first day for circulating petitions for a state or county office) call at the office of County Registrar of Voters Benjamin S. Hite—Room 300, 808 North Spring street, L.A.

There you will be given a nomination paper. But you will have to leave behind \$500. That is the filing fee for governor. If you fail to file before 5 p.m., March 31 (the filing deadline for all offices), you will lose the 500 bucks.

To be eligible to get your name on the June 6 primary ballot for governor, you must be 25 years old and a citizen of the state for five years. Benny Hite says there is some question about whether you have to be a registered voter. The constitution doesn't say.

But your petition signers have to be registered. And you must have at least 65 sponsors (and not more than 100). If you are not registered, the sponsors must be registered. If you should want to go all out and cross file, you have to put up another \$500 for a second petition and get at least 65 Democrats to back you.

Then if, at the Primary election, you get a majority on both tickets, you can sit back and relax. You're elected, brother.

If you're beat at the Primary, you're all through. But suppose you forgot to get your nomination paper in by March 31. You still have a chance.

Next fall you can run as an independent candidate for governor. But it's a little more difficult.

On September 4 you may apply for a petition to circulate for independent nomination—providing you did not vote at the Primary.

You will have through September 28 to circulate your petition and get it filed. But you will need 203,850 signers. And not one of those signers could have voted at the Primary election. The theory being those voting already made their choice.

The same procedure goes for lieutenant governor, but the filing fee is at a cut rate—\$240. It costs \$250 to file for U.S. Senator. For U.S. Representative it's \$125. The Assemblymen get by for \$20.

If you prefer a judgeship, there will be 28 Superior Court benches open at the election, and we here will vote for a Justice of the Peace. The Superior Judge filing fee is \$125, the fee for Judge John A. H. Sturgeon's spot is \$108.

These are non-partisan offices, and if a candidate gets a majority of all votes cast at the Primary he is elected. The same procedure applies to the county supervisor's job which calls for a filing fee of \$100. But for the court jobs you must file declaration of intention to file by tomorrow.

An office seeker has the range to choose from. Besides governor or lieutenant governor, he can pick, and you will have a chance to vote for, secretary of state, controller, treasurer, attorney general, member of the State Board of Equalization, U.S. senator, representative in Congress (20th District), State senator, assemblyman (48th District), 28 Superior Court judges, justice of the

SEVEN FILE FOR COUNCIL RACE

Kinney, Hewitt, Colligan, Myers, Eakman, Eaton, Black... are Candidates

Six persons earlier this week established candidacy for election to the City Council at the municipal election to be held next April 11.

Those whose nomination papers were filed with City Clerk Lawrence Brain are:

Councilman William A. Kinney, who is seeking reelection; Arthur Hewitt, editor of the Sierra Madre NEWS, Mrs. Rebecca B. Colligan, active Red Cross worker here and a prominent Catholic, Al S. Myers, former mayor and city business manager; Francis Eakman, food products distributor; and Attorney Noren Eaton.

William A. Kinney is the only councilman of the three whose terms expire who is

WILLIAM A. KINNEY

seeking reelection. He has been on the Council for 17 months, having been appointed in October, 1948.

He is assistant manufacturing manager of the Flintkote company. He majored in chemical engineering at the University of Cincinnati. He was born in Cincinnati and is now 52 years old. For eight years he worked for Flintkote at New Orleans before being transferred here. He has lived in Sierra Madre since 1931.

Mr. Kinney is a member of St. Rita's Church, the Knights of Columbus and the American Legion. In business, he is a member of the Papermakers and Associates of Southern California and the American Papermill Superintendents' Association.

For three years, 1946 through 1948, he was Sierra Madre District chairman of the Boy Scouts of America. Right now he is on the board of directors of the Pasadena-San Gabriel Valley Council of the Boy Scouts and is chairman of the advancement and awards committee in that Council.

Mr. Kinney said that he was seeking reelection upon the urging of friends and that he feels that there "is definite

Arthur Hewitt, a newspaperman with a background of familiarity with governmental operations at all levels, this week announced his candidacy for the city council.

For the past seven years he has been a reporter for the Los Angeles Evening Herald and Express. He has specialized in the coverage of state and coun-

ty governmental operations. And for nearly two years he has also served as editor of the Sierra Madre NEWS, reporting affairs of the City Council and Planning Commission.

Mr. Hewitt was associated with the Rapid City, (S.D.) Journal as sports editor, the Sioux City (Iowa) Journal as state editor and sports editor and the United Press as bureau manager before joining the Herald-Express. He also has contributed to national publications.

Born in Minneapolis, Mr. Hewitt is a graduate of the University of Minnesota. He attended Columbia University and studied law at Southwestern University. He is 34 years old.

During the war he served in the Navy. He was commissioned before being discharged, and is now a member of the Naval Reserve.

These candidates do not, however, represent the entire field for the election race. By the deadline of noon today (Thursday) others who have declared their candidacy were expected to have papers filed for nomination. Among these is Virg Smith, contractor.

As the NEWS was going to press late yesterday, still another filing was announced by City Clerk Brain. The nomination petition bearing 10 signatures, was for Alexander Black, a Navy veteran and field representative for American Can Company, who lives at 445 E. Highland. Complete biographical background of Mr. Black will be presented next week.

Unity on the home front with winning City Council candidates getting the support of the losers was advocated by Al S. Myers with the filing of his nominating petition.

Mr. Myers, who is 71 years old, was born in New Jersey. He came to Sierra Madre for a short visit in 1904. But he has been living here continuously since 1925.

A veteran of the Spanish-American war, Mr. Myers is an electrical engineer who has been associated with many telephone companies since 1908. During World War II for a time he served in the Home Guard.

During the war he also was an instructor for the U. S. Navy at North Island, San Diego. He left the navy with a rating of 937—second highest rating ever given by the navy at North

Island. After service with several telephone companies that have since been absorbed into the Bell System, Mr. Myers was district plant manager at Eugene, Oregon, for the P. T. & T.

He was elected to the City Council in 1928. He was mayor from 1929-30. For eight years, from 1930 to 1938, he was city business manager. He now lives at 101 Esperanza avenue.

Mr. Myers' petition was circulated by Eugene F. Colbert, member of the local VFW. The signers are Andrew E. Liscomb.

Attorney Noren Eaton, in filing for the City Council election, said that a "drive for better government must start at the local level."

Mr. Eaton was born at Postville, Iowa. He is now 46 years old. After coming to California in 1921 he attended both Whittier College and the University of Southern California. He was graduated from the USC School of Law in 1925 and was admitted to practice the following August.

In 1941 Mr. Eaton came to Sierra Madre, and three years later, in 1944, he established his law office here. He holds no city position at present, but for five years he served as the city's police court judge, and for six months he was Arcadia city judge.

For two years Mr. Eaton served as president of the Chamber of Commerce. He is a member of the Kiwanis Club, and he was chairman of the Red Cross drive for two years. He has also served two years as a Boy Scout commissioner.

He is married and has two children. They make their

FRANCIS EAKMAN

"No ax to grind" and "a fair chance for everyone" were the declarations of Francis Eakman as a petition establishing his candidacy for the City Council was filed at City Hall.

Mr. Eakman has been a resident of Sierra Madre for the past 22 years. He was born in Montana and later lived there for several years. He made his home at Long Beach for two years before moving to Sierra Madre. He is 56 years old.

A past commander of the local Veterans of Foreign Wars post, Mr. Eakman is now president of Community Chorus. He is also a former member and board member of Kiwanis Club. He sings in the Congregational Church choir.

For several years he was active with the Sierra Madre Rose Parade float committee. At one time he served as district chairman of the Sierra Madre Boy Scout Committee.

Mr. Eakman most recently was a one-man crusader for the Firemen's club room furniture fund campaign.

At present Mr. Eakman is distributor of Perrin Mineral and Food Products. He lives at 194 Mariposa avenue.

Ralph H. Burns, Sierra Madre realtor, circulated Mr. Eakman's petition. Signers are Mrs. Rosalie Goodwin, secretary of the Sierra Madre Cham-

REBECCA B. COLLIGAN

Mrs. Rebecca B. Colligan, a long-time resident of Sierra Madre, is the only woman so far to announce her candidacy for the City Council.

Active in Catholic affairs of the city, Mrs. Colligan is a member of the St. Rita's Altar Society. She has been closely associated with Red Cross work here, and during the war she was in charge of surgical dressings. Mrs. Colligan has been a resident of the town since 1922.

She is a member of the College Women's Club of Pasadena. She is a graduate of the University of California, having taken her degree in Spanish. She was born in 1895 in New Mexico.

Mrs. Colligan is the mother of four children, two of them, John and Catherine, are students at UCLA; another, Dolores, is in nurse's training at Queen of the Angels Hospital, and the fourth, Barbara, is employed in the credit department of a Los Angeles department store, having formerly been employed at the Bank of Sierra Madre.

Mrs. Colligan says she will be listed on the ballot as a housewife. She now lives with her mother, Mrs. John Borrodale, at 391 E. Grandview avenue.

Canvassing Starts in 1950 Red Cross Fund

City's Quota Is \$5200 For Annual Campaign

Pledged to canvass every house and business in Sierra Madre, team captains and workers began campaigning yesterday morning for the 1950 Red Cross Fund Drive.

Sierra Madre's Red Cross quota this year is \$5200.

As the opening gun was sounded for the ARC campaign, Chairman Al E. Morgan reminded citizens that this is YOUR campaign, and the responsibility of maintaining the Red Cross' work in this city is upon the shoulders of every Sierra Madraean.

"When the American Red Cross was chartered by Congress, the organization assumed certain obligations," R. C. Lewis, Chapter Chairman, pointed out. "In order to meet these obligations in Sierra Madre, and in every city of the United States, it must have money."

Mr. Lewis reminded Sierra Madraeans that, besides the many local services performed by the Red Cross, the organization is the only contact between the man in service and his family at home.

"There are 1½ million men in the armed forces at present. Many of these men—at one time or another—will urgently need the services of the American Red Cross," Mr. Lewis said.

Besides help to veterans and military men, the Sierra Madre Chapter in 1949 conducted a First Aid Class, two swimming instruction courses, and a blood donor program, it was pointed out.

Sierra Madre will retain \$3587—or 69 per cent—of the \$5200 quota for the continuation of its Red Cross program.

City Planners Recommend 'Annexation'

The Planning Commission last week recommended an "annexation" to Sierra Madre.

This was not "the" annexation but rather a small piece of county territory slightly more than eight-tenths of an acre. The parcel is a corner of a 24-lot subdivision proposed by John C. Hanson for North Michillinda avenue.

The Commission approved the subdivision but suggested that Hanson petition the City Council for annexation of the subdivision corner. Commission Chairman Bayard Bigelow said it would be desirable to bring the land into the city inasmuch as seven lots are cut by the present boundary line. The entire subdivision is 7½ acres.

City Parking Problems To Await New Council

The problem of providing parking space in the business district for Sierra Madre shoppers will be held in reserve for the new City Council in April, the Planning Commission decided last week.

So far, the Council has failed to answer a letter from the Commission suggesting that something be done about parking. Parking meters have been proposed, but no serious move has been taken to push for their installation.

"If we're ever going to have parking lots, we should get them now before the cost of land is too high," Commission Member May de Wright said.

Mrs. Al E. Morgan, Commission secretary, pointed out that in other cities with large business districts parking meters have provided funds for purchase of parking lots, but she doubted that such a plan would work in Sierra Madre where relatively few meters could be installed.

DANCE FOR BALL FIELD CLEARS \$350

The city recreation fund for Sierra Madre's baseball field was increased by approximately \$350 as a result of the VFW's annual Washington's Birthday Dance Saturday night at the Woman's Clubhouse.

Henry Nuetzel, City Councilman and past-commander of the local VFW post, termed the dance a "real success" and said it was so well attended that hardly another dancer could have been "squeezed" onto the dance floor.

Citizens Nab Bad Check 'Artist' Here

Clever police work and a rough and tumble battle—on the part of civilians—resulted in the capture Monday afternoon of a bad check forger suspect wanted in several Southland cities.

The suspect, Walter Bruning Thompson, alias James W. Clark, went into the office of Roberts Market and asked Store Manager Everett Burrows to cash a check for \$35. Thompson's fictitious name was indicated on the check, and 265 W. Bellfontaine, Pasadena, was the address given.

Mr. Burrows recognized that the check was similar to one that had been cashed last Friday—a check for \$40 which had bounced.

He told the suspect to wait, on the pretense that he had to perform another errand. Once outside the office, he summoned the aid of other market employees, Jack Storrer, Robert Lakin, G. W. Griffin, and J. A. Murphy.

When the five men re-entered the office, Thompson became frightened and made a break for the door. As he leaped off the loading platform at the rear of the market and onto the parking lot, Mr. Storrer connected with what he later described as a "flying tackle," and the suspect crumpled to the pavement.

The other four employees quickly piled on and, after a brief but violent struggle, Thompson was subdued. Sierra Madre Officers James C. Heasley and M. E. Gotcher were then notified and they took the suspect into custody.

Slightly injured during the struggling were Mr. Storrer, a

Day School Dedicated by Bishop Bloy

Between 400 and 500 persons were at the Church of the Ascension Parish Day School Sunday afternoon when the Right Rev. Francis Eric Bloy, D.D., Episcopal Bishop of Los Angeles, dedicated the new school building.

The Bishop also blessed and dedicated the convent of the Sisters of St. Mary, and administered the sacrament of Confirmation for 20 adult members of one of the Ascension Church classes.

Bishop Bloy spoke briefly during the Parish Day School dedication, telling guests the importance of religious education and the need for additional parochial schools. He pointed out that parochial schools should be considered supplementary to public schools.

Helping Bishop Bloy in the dedication rites were the Bishop's Chaplains, the Rev. Harley G. Smith Jr., rector of the Church of the Ascension; the Rev. Robert Crane of Christ Church, Ontario; the Rev. Roy V. Davis of All Saints Church in Highland Park, and the Rev. T. Raymond Jones of St. James Church, South Pasadena.

Friday Was World Day Of Prayer

An international Day of Prayer was observed Friday, February 24, by all Protestant churches of Sierra Madre from 10:30 to 11:30.

The special Day of Prayer service at the Congregational Church, to which all local churches sent representatives, was one of more than 13,000 places in the United States where the day was celebrated. Ninety countries, from the Fiji Islands around the world to the Tongo Islands, participated.

Sponsored by the United Church Women, the Day of Prayer service featured the Scriptural readings and prayers, prepared this year by a Japanese woman—a graduate of Byrn Mawr College whose work with the Japanese YWCA has been called "outstanding."

Mrs. George Morgridge presided.

Birth Certificates Necessary for City School Entrance

Children entering the Sierra Madre City School kindergarten or first grade must submit their birth certificates or other indications of legal age, the School Board decreed last week. Members of the Board re-passed a resolution stating this requirement at their regular meeting held Tuesday, February 14.

School Superintendent Charles A. Skutt said the Board also authorized him and Mrs. Hortense Wells, school nurse, to work in co-operation with the Los Angeles County X-Ray Survey Committee. Thousands of X-rays will be offered free to school children of the county during April, Mr. Skutt said.

The Board named Miss Betty Newton, vice-principal, as a delegate to the California School Principals' Association convention, to be held in Hollywood during Easter vacation. Superintendent Skutt will represent the school district at the School Business Officials' annual conference, April 12 to 15, to be held this year in San Diego.

Four new substitute and part-time teachers were approved by the Board. They are Mrs. Alicia Parker, Mrs. Lois M. Peters, Mrs. Angel Robertson, and Mrs. Ethel Barrows.

Bill Webster Wins Honors As Recruit

Bill Webster, 305 E. Laurel, who recently enlisted in the U. S. Navy, has within three weeks been appointed second in command of his recruit company of 54 men.

In eight competitive classification examinations given the recruits, Bill received the highest scores in six, and the second highest in the other two tests.

Before entering the service, young Webster was active in the Sierra Madre Heavy Mortar Company, California National Guard, and in the ROTC at Pasadena City College, where he was graduated from the 12th grade in June, 1949.

The grandson of the late W. W. Bayard, resident of Sierra Madre for 40 years, Bill has lived here for 18 years. He is the son of Mr. and Mrs. W. Aiden Webster. Mrs. Webster, a native of Sierra Madre, taught kindergarten here for several years and, currently, is teaching in Glendale.

Bill is stationed at the U. S. Navy Training Center, San Diego.

Saturday, March 11, will be observed as "Have a Heart Tag Day for Volunteers of America" in Sierra Madre, according to a proclamation issued this week by Mayor J. Milton Steinberger.

The mayor pointed out that the volunteers of America maintain homes for children, aged, destitute girls, fresh air camps for underprivileged children, a prison department for the rehabilitation of prisoners and aid to their families, as well as provide relief stations for the needy in Southern California.

SUSAN L. PROSSER, MENINGITIS VICTIM, NOTES 2nd BIRTHDAY

Susan Linda Prosser, who is reported to be "coming along wonderfully" at the Los Angeles County Hospital, celebrated her second birthday Monday, Feb. 20, with presents and a cake.

Hospital nurses lit the candles on the cake, and Linda blew them out. Although the little girl was not yet well enough to eat any candy or cake, her nurses and friends obligingly ate her share.

Linda was stricken with cerebrospinal meningitis Jan. 26 and rushed to the hospital where doctors successfully battled for her life. She is expected to be returned home, 750 Alta Vista Drive, within the next ten days.

Mrs. Josephine Lister, mother of Mrs. Fred T. Prosser who flew here to take care of the other Prosser children during Linda's illness, left Sierra Madre Wednesday to return to her home in Delaraine Manitaha, Canada.

MAN FINED FOR DRUNK DRIVING

Booked and jailed last week on charges of driving while intoxicated, Harold Edward Yerxa, 225 W. Highland avenue, pleaded guilty and was fined \$150 by City Judge John C. Mead.

Arresting officers said Mr. Yerxa's car was weaving from one side of the street to the other, and that he failed to make a boulevard stop at the corner of Lima and Grandview.

The arrest occurred approximately in front of 460 N. Lima.

City Nursery School Holds Annual Meet

The new Nursery School building was used for the first time Tuesday night when the Community Nursery School Association held its Annual Meeting.

Directors for the year 1950 were elected. They are Mrs. George Barnett, Harold Bartel, G. G. Baumen, Claude Brown, Kenneth Bush, Mrs. Francis Dane Jr., Norman Davidson, Mrs. Kermit Dowty, Mrs. Milton Goldberg, Dr. Nathan Jacobs, William A. Kinney, Miss Betty Newton, Ray Obazawa, Mrs. J. P. O'Neill, A. L. Pittinger, Mrs. Phil Saurenman, Miss Elizabeth Steinberger, Mrs. Dixie Tiller, Mrs. Milton Valois, Mrs. Ervine Wright, and Mrs. Edward C. Young.

The association earlier in the evening had voted to increase the size of its Board of Directors from 15 to 21. From these 21 new and reelected Directors, officers for the year will be elected within the next two or three weeks, 1949 President George Parr said.

The Ways and Means Committee reported it has on hand a balance of \$118.25, which was turned over to the Building Fund Committee. Building Fund Chairman J. C. Loomis Jr. announced that \$7500 has been raised for the building to date and indicated that approximately \$400 is still needed.

DAMAGE REPORTED AT CANYON POOL

Answering a report of malicious mischief at the Canyon Swimming Pool Bathhouse Sunday, Sierra Madre Officer Stanley D. Fish questioned four juvenile boys.

Mrs. Clarence E. Brunty, 498 Woodland Drive, told police she "had seen several boys throwing rocks and breaking windows of the bathhouse." They were inside the fence and playing on the bottom of the pool, she said.

The youths, averaging 14 years of age, denied breaking the windows. One boy, however, reportedly admitted that he broke a window there approximately one month ago. He told police he would pay for the damage.

Officer Fish advised the boys to stay off the city property. No citations were issued.

The addition boosts the total of enterprises listed in the Directory to 55, and increases the separate categories of services offered to 44.

Miss Graham, who has been active in gardening circles for 40 years, will speak on "Small Gardens."

First prize in the National Yards and Gardens of America competition was recently won by Miss Graham's garden at her former home, "Mia Italia," 349 N. Lima. The award was a sun dial.

She has been a member of the Pasadena Garden Club for 25 years and, for several years, served as horticultural chairman.

According to Mrs. Alice Sedgman, Friendship Club president, the meeting will be an interesting and valuable one for all Sierra Madre garden lovers, as well as Friendship Club members. She said all local residents are invited to attend.

Mrs. Sedgman said the Friendship Club Chorus, under the direction of Mrs. Etta Leguin, will sing several selections.

CHAMBER UNIFIES HOLIDAY CLOSING FOR BUSINESSES

At a Chamber of Commerce luncheon attended by 40 members and guests Thursday noon, it was decided that in the future Sierra Madre businesses would close for only six holidays during the year.

Local merchants will close their shops on the following holidays: New Year's, Memorial Day, July 4, Labor Day, Thanksgiving and Christmas.

The Chamber Board of Directors will meet on the first Monday night of each month, instead of the second, the Chamber decided. President Al Morgan explained that the chance is necessary to avoid a conflict with the Garden Club's meeting night.

Mr. Morgan announced that the Chamber is awaiting the completion of Southern California Edison Company's survey of street light conditions in Sierra Madre.

"When this report is made, we will undertake to set up a universal system throughout town to repaint all house numbers with a special chemically-treated paint so that they will be easily visible at night," Mr. Morgan said.

Cloyd Marshall was appointed chairman of a committee to investigate the possibility of substituting "better looking" trees for the palm trees that now adorn Sierra Madre's main streets.

Toy Loan To Be Open More Hours

Toy Loan is announcing this week a change of hours. It will become effective next week, Tuesday, March 7, when the Toy library will be open from 2:30 to 5 p. m. on Tuesday and Thursday afternoons. The former Monday hours will be discontinued.

To new members of the community it might be fitting to explain that the lovely story-book-looking building in the City Park is a Toy library maintained by the Civic Club where small children may choose the toys which appeal to them, may take them home as their own for a period of time, exchanging as books are borrowed and exchanged at the public library.

The others were Coast Garbage company of Pasadena, 19 1/2 cents; People's Disposal (James Matson) of Whittier which now provides the collection service, 32 cents, and A-1 Disposal of Arcadia, 44 cents. The present cost to the city is 22 cents a month per water meter.

Contractor Harold Spears was refunded a \$485 cash bond he had placed in connection with his East Grandview subdivision after he showed that adequate drainage had been provided for the new street.

The Council adopted a resolution which set up the machinery for the April 11 municipal election.

A stop sign for eastbound traffic on Sierra Madre boulevard at Michillinda avenue was ordered installed.

On recommendation of Public Works Director Harry Shatto to the Council approved expenditures of \$260 for a booster pump, \$100 to fill in an old

pipeline tunnel at Skyland Dr. and Idle Hour Lane that now constitutes a hazard and \$260 for a gate valve and other pumping equipment.

Also on recommendation of Shatto, Ramon Sanchez and Ernest Mohler were hired as temporary employees of the water department. Shatto also was given permission to look around for a draftsman for the city.

Furniture in the City Park and the shuffle board were ordered repaired at a cost of \$130, and a call for bids was authorized to repair the asphalt walks of the park. The cost limit was placed at \$540, the amount now setup in the budget. Shatto reported that the street department had done a temporary job "to keep people from falling into big holes."

Friends from Los Angeles, Fullerton, and Alhambra—as well as many from Sierra Madre—attended an open house Sunday afternoon from 2 to 5 honoring the couple's 50 years of married life.

A special anniversary cake, decorated in white and gold, was served the guests. Decorations included white carnations tinged with yellow, daffodils, and camellias.

Several local residents attending the event were from the Nazarene Church, and a plaque commemorating Mr. and Mrs. Lessley's Golden Wedding Anniversary was presented to the couple from the church. Constructed of aluminum and having a gold face, the religious plaque stated: "Let the Beauty of the Lord Our God Be Upon Us."

Several plants and bouquets were presented Mr. and Mrs. Lessley. Besides the anniversary cake, refreshments included coffee, tea, and sandwiches.

BIBLE INSTITUTE FILM SCHEDULED AT MUIR

A bird that travels more than 20,000 miles a year—to the South Pole in winter, and to the North Pole in summer—is one of the marvels of nature shown in "Dust or Destiny," scientific-religious film to be presented to the John Muir College student body tomorrow, March 3.

Presented through the sponsorship of the Student Christian Association, "Dust or Destiny" is the fourth in a series of sermons from science produced by Moody Bible Institute, Chicago.

An important part of the armed forces character guidance program, these films are being shown all over the world, according to Miss Harriet Van Osdel, Muir SCA director.

ALA Honors Old Members

Charter members and past presidents were honored at last Thursday evening's meeting of the American Legion Auxiliary held at the home of Mrs. Lloyd Welch, 50 Montecito Court.

Events of the past quarter century were reviewed by those present, and President Willietta Kunz and First Vice-President Mary Files presented birthday greetings from the 18th district.

Letters from Past-President Orceila Stinman of Georgetown, Calif., Past-President Sylvia Quittner of Santa Barbara, and Charter Member Ellen Evans of Lancaster were read in answer to roll call.

Following an informal hour of reminiscing, Co-hostesses Mrs. Ora Olsen showed colored slides of her recent trip through Cuba and the Southern states. Honored guests included Charter Members Leila Roberts, Ora Olsen, Blanche Buie, and Elva Layton; Past-Presidents Lucille Pickett, Maybelle Barker, Leila Embree, Helen Lovejoy, Minnie Stinman, Katherine Miller, Rose Galkin, Lucille Nollac, and Anne Willumsen. Past Presidents Elise Hadlock of Ithaca, Mich., and Mrs. Sam La Sala of the Rosemead unit also were present.

A buffet supper, featuring a birthday cake and camellia bouquet place-cards, was served the ALA members and guests. According to Mrs. Maybelle Barker, press chairman, next meeting of the unit will be Thursday evening, March 9, at the home of Mrs. Henry Horner, 196 E. Sierra Madre boulevard.

LEAKY TRUCK BRINGS FINE

For operating a "leaky" manure truck on Sierra Madre streets, James F. Hayes, 3072 N. Sierra Madre boulevard, was ordered to pay a \$10 fine Saturday morning in city court.

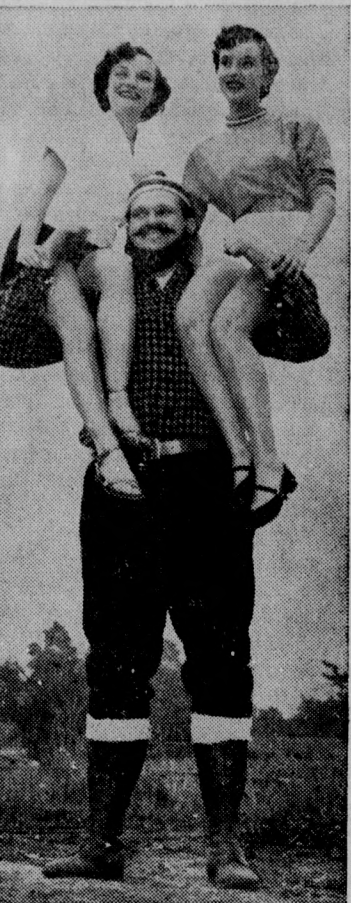

An additional levy of \$7.40—cost to the city of cleaning up the streets—was charged against Mr. Hayes, who said he was delivering manure to a resident of Sierra Madre.

Aviation Progress Shown in Pictures

The dramatic progress of aviation during the past decade will be demonstrated in a group of four documentary motion pictures at the Los Angeles County Museum in Exposition Park tomorrow, March 3, at 8 p. m.

Titles of the films are "Gliding Wings," "Jet Propulsion," "Operation Vittles," and "The Flying Wing."

BIG BOY FOR BIG SHOW

"PAUL BUNYAN," legendary woodsman, comes alive for the Los Angeles Sportsmen's Vacation and Trailer Show at Gilmore Stadium, April 6 to 16. "Paul" is shown carrying Marilyn Granas (left) and Pat Clavin, both of whom will serve as hostesses at the huge outdoor extravaganza which contains more than 500 exhibits and an hour stage show.

Woman In Court On Drunk Charge

In court Saturday morning on charges of being drunk and disorderly, Mrs. Hattabell Shogren was sentenced to pay \$50 or 25 days in the County Jail.

City Judge John C. Mead, however, suspended the sentence for a period of two years on condition that \$10 be paid forthwith; that Mrs. Shogren remain away from the home of her former husband, Harold Shogren, at 68 Suffolk for the two years; and that she abstain from drinking during that time.

Mrs. Shogren's ex-father-in-law, Edward Shogren, signed the complaint Friday evening, and Mrs. Shogren was booked and jailed in the Pasadena city jail.

Parish Day School Noted In Magazine

Sierra Madre's Church of the Ascension Parish Day School was written up in the January and February edition of St. Mary's Messenger, bi-monthly magazine published in New York by the Sisterhood of St. Mary.

The amazing growth of the school in a little more than two years is described in the article. Under the leadership of Father Harley G. Smith Jr., Ascension Church rector, the school has developed "from a vision and a prayer to a thriving, growing, school with kindergarten and seven grades."

Praising Father Smith's work the magazine article states: "Under his (Father Smith's) wise and enthusiastic guidance, a sound foundation has been laid for a well-balanced curriculum of 'sound learning and good manners' which has as its heart the love and worship of God."

A description of the new school building, dedicated last Sunday by the Right Rev. Francis Eric Bloy, D. D., is included in the article.

ANIMAL CRACKERS PAY OFF FOR GIRL

When Betty Jo Maule, age 10, bought a box of animal crackers at Roberts Market recently she naturally expected to receive just that—animal crackers.

But what she had not counted on was the paper certificate enclosed in the box of Torche Crackers. This certificate stated that she was to receive a free Schwinn bicycle—as a gift said a free bicycle—as a gift of the company.

The payoff came last Saturday morning at Roberts Market, when a Mr. Jones, representative of the Cubbison Cracker Company, presented Betty Jo with her brand new bike.

The lucky girl is the daughter of Mr. and Mrs. J. V. Maule, 67 W. Laurel.

FIRST AID CLASS ENROLLMENT ENDS

Harry Lange, Sierra Madre First Aid chairman, reports that enrollment in the Red Cross Chapter's First Aid class is closed, and that the class roster now numbers 14 men.

The 10-week course in elementary First Aid is being instructed by Dr. Thomas Wynne, Sierra Madre physician. The class meets every Wednesday evening, 7:30 to 9:30, at the City Hall.

Bandage wrappings, pressure points, and the halting of profuse bleeding were discussed during the first three meetings of the class.

DOWNTOWN AREA ROCKED BY 'BLAST'

Sierra Madre shoppers and merchants were momentarily stunned Friday afternoon when they heard the entire downtown area suddenly reverberate to the strains of "Take Me Out to the Ballgame."

After carefully checking limbs and rubbing ears for possible damage from the "blast," however, most of the citizens realized the truth.

The local VFW had decorated a trailer with signs and a PA system to advertise the annual Washington's Birthday Dance, held last Saturday night. Funds from the dance are to go into the city's recreation fund and baseball field.

Tentative Dates Set for Pioneer Days Celebration

Dates for the Third Annual Pioneer Days plans at a meeting of the Sierra Madre Lions Club Thursday evening. The Lions are sponsors of the annual event.

Sterling T. Ripple, spokesman of the Lions, said permanent scheduling of the festival would have to wait a conference of Lions and city representatives.

LOCAL BANKERS ATTEND MEETING

R. C. Lewis, Al E. Morgan, and David H. Allen represented the Bank of Sierra Madre at the February dinner meeting of the Independent Bankers' Association of Southern California held in Los Angeles last week.

The meeting featured a panel discussion of bank operating problems led by A. M. Gaines, assistant vice-president of the Farmers and Merchants National Bank of Los Angeles, as moderator.

Masons Hear State Justice

Approximately 130 Masons, their families, and friends attended Friday night's dinner meeting of Sierra Madre Lodge No. 408, F. & A. M., at the Masonic Temple.

Guest speaker of the evening, Louis C. Drapeau, associate justice of the California District Court of Appeals, spoke on Early California, tracing political development from the pioneer's standpoint through to the present day.

Several organ selections were presented by Past-Master Thomas R. Meader, played on the Hammond electric organ, which was recently installed on a trial basis at the Temple. Mason John Buchan presented two tenor solos: "Annie Laurie," and "On the Road to Mandalay."

According to Worshipful Master John W. Adams, the following Masons and their wives were special guests at the event: Tom Richardson, past-Master of the Lexington Lodge, El Monte; Harold Robertson, present Master of that lodge; and Masonic Inspector Stephen Skidmore, past Master of the Azusa Lodge.

peace, supervisor, county sheriff, county assessor and state superintendent of public instruction.

If this scares you, we suggest you forget about it and do something easy. You still have time.

Rush to the office of City Clerk Larry Brain and get a nomination paper for City Council. There is no filing fee to pay, and you only have to have five signers.

But hurry; you have to have it in by noon today (Thursday). That's the filing deadline for our own city election April 11.—A.H.

sprained ankle, and Manager Burrows, a cut lip and skinned elbow. Thompson was described as being well over six feet in height and weighing more than 200 pounds.

The suspect subsequently was identified by Safeway Market Manager Frank Robinson as being the same man who had passed a bad check at his market on Feb. 1.

He was booked in Sierra Madre, then transferred early Tuesday morning to Pasadena where he is wanted for petty theft, as well as passing bad checks—a felony.

Chief of Police Gordon G. McMillan explained that Pasadena's and Sierra Madre's cases would be consolidated. The Los Angeles police department also has a warrant out for Thompson's arrest on charges of issuing checks with no funds.

"The men responsible for Thompson's arrest—particularly Mr. Burrows for his alertness in recognizing the suspect—deserve congratulations from all Sierra Madreans," Chief McMillan said. "They did a fine job."

CITY PARKING

From Page One

City Attorney T. Guy Cornyn said that a meter manufacturer might put in a few meters as "a try-out."

Chairman Bayard Bigelow pointed out that the merchants of town could form a corporation for the purchase of parking space.

Although it was suggested that the Council again be asked about the parking problem, it was decided to hold up the matter until April when the new Council takes office.

The Commission granted a change of zone from R-1 to R-2 for Margaret Davidson at 319 Ramona avenue so that she will be able to build a small cottage on the rear of her lot. No opposition to the change was expressed at the public hearing.

Also approved was a subdivision sought by Robert W. Densmore on Sierra Madre boulevard near Monterey Lane. He will subdivide two lots into four.

On recommendation of Commissioner Harry Johnson the Southern California Edison Company was given permission to remove a palm tree on the west side of Mountain Trail about 100 feet north of Sierra Madre boulevard for the running of a feeder line. The company said that all other trees in the path of the auxiliary line could be topped. The palm tree is on city property.
